

Permit Number below must be as listed on the Approved Permit for the water and dates indicated:

PERMIT NUMBER:

4017

(1) Report Preparer: _____

(2) Address: _____

Phone: (____) _____ - _____

(3) E-mail: _____
(Preparers submitting by e-mail must supply a valid e-mail contact address)

FISHING EVENT REPORT

PENNSYLVANIA FISH AND BOAT COMMISSION

Division of Fisheries Management
 595 E. Rolling Ridge Drive
 Bellefonte, PA 16823-9620
 Fax: (814) 359-5153
 E-mail: RA-FB-BASSSURVEY@pa.gov

- (4) Participant Goals** *(check all that apply):*
- Largest **limit** of fish caught (length/weight)
 - Largest **individual** fish caught (length/weight)
 - Largest **total length/weight (no creel limit – immediate release mandatory)**
 - Other: _____

- (5) Event Goals** *(check one):*
- Live release of catch – immediate release
 - Live release of catch – at end of event/day
 - Harvest encouraged
 - No release provisions – no check-in restrictions
 - Other: _____

This report must be accurately completed and mailed, faxed, or e-mailed to the above address within 30 days after the scheduled event date or by the date specified on the corresponding permit. Please be sure to complete items 1 through 14 as appropriate. If this event is canceled, this report must be submitted with the word "canceled" marked above the event dates segment of this report (item 8).

(6) Water Name: Delaware River **Note:** Bow/Arrow fishing event: Yes No
 Canoe/Kayak fishing event: Yes No
 Shore fishing event: Yes No

(7) Lake Location or River Limits: Delaware Water Gap to Philadelphia
(Please record the county location for lakes and event boundaries for rivers. For river events, upper and lower bridge crossings or other landmarks must be specified that define river event boundaries.)

(8) Event Dates: FROM 04 / 20 / 2023 TO 04 / 23 / 2023

(9) Angling Effort:
(Record total number of anglers fishing and time fished; must report for each fishing day).

Day 1		Day 2	
Number of anglers fishing		Number of anglers fishing	
Fishing start time		Fishing start time	
Fishing stop time		Fishing stop time	
Number of hours fished		Number of hours fished	

(10) Fish Catch: *(Record each fish species checked in and the number checked in. Of those checked in, record the number released and harvested (dead). Record total weight/length of bass species checked in, if available. Weight or length of bass species may be combined. See reverse for more report days.)* **NOTE:** *Number checked in = (Number released alive) + (Number released stressed) + (Number harvested).*

Species	Day 1					Day 2				
	Weight or Total Length checked in	Number checked in	Number released = alive*	+ Number released stressed*	+ Number harvested (dead)	Weight or Total Length checked in	Number checked in	Number released = alive*	+ Number released stressed*	+ Number harvested (dead)
Largemouth Bass										
Smallmouth Bass										
Spotted Bass										
Other:										

***Live** released fish swim away upright immediately (within one minute) after release; **stressed** fish do not swim away upright after release. **Dead** fish do not exhibit gill movement. Alive and stressed fish exhibit regular gill movement.

(11) Additional Angling Effort:

(Record total number of anglers fishing and time fished (report for each fishing day). Attach additional sheets for more days.)

Day 3		Day 4	
Number of anglers fishing		Number of anglers fishing	
Fishing start time		Fishing start time	
Fishing stop time		Fishing stop time	
Number of hours fished		Number of hours fished	

(12) Additional Fish Catch: *(Record each fish species checked in and the number checked in. Of those checked in, record the number released and harvested (dead). Record total weight/length of bass species checked in, if available. Weight or length of bass species may be combined. See reverse for more report days.)* **NOTE:** *Number checked in = (Number released alive) + (Number released stressed) + (Number harvested).*

Species	Day 3					Day 4										
	Weight or Total Length checked in	Number checked in	=	Number released alive*	+	Number released stressed*	+	Number harvested (dead)	Weight or Total Length checked in	Number checked in	=	Number released alive*	+	Number released stressed*	+	Number harvested (dead)
Largemouth Bass																
Smallmouth Bass																
Spotted Bass																
Other:																

***Live** released fish swim away upright immediately (within one minute) after release; **stressed** fish do not swim away upright after release. **Dead** fish do not exhibit gill movement. Alive and stressed fish exhibit regular gill movement.

(13) Fish Check-in Restrictions: *(Describe event minimum lengths and minimum creel sizes that are more restrictive than those specified by regulation, if any).*

Species	Minimum Event Length	Minimum Event Creel Limit
<i>Ex: Bass</i>	<i>15 inches</i>	<i>5 Bass per Angler</i>

(14) Additional Notes: *(Detail additional comments/remarks that were not covered above).*

Attach additional sheets if the event exceeds more than four (4) days and/or includes more species than space allows.
